## **Space Race Abandonment: Surrender Management (Surrender Management: America in Retreat Book 9)**

The Genographic Project is not a genealogy testing service, meaning it does not tell you details about recent generations or your close relatives. Things Begin to Click or Something Clicks means that you finally understand something more clearly now, and everything falls into place or clicks into place, and you suddenly understand how different pieces of information are connected and now everything becomes clearer than before when it was puzzling.
