The retention of a score of blows at Schlegel in the final collection, when over half the original number were condemned to privacy, seems to imply a mutual belief in their justice and importance : 3 Goethe's statement to Eckermann that he often furnished the idea and Schiller the expression and vice versa, that he sometimes composed the hexameter and Schiller the pentameter and vice versa, has always been regarded as excellent testimony. The title you see from the image of this book here at GR is not complete Think of a writer who can make you smile, happy and laugh with just the title of his work or with its prologue written in four short pages.
