As a woman reader, these are the sorts of discussions I look for in books I love to be taken along with the narrator, transparently shown the narrator's thought process, because it helps me to understand the writerly choices the narrator makes and the implications of those choices for what can and cannot be said. What Man may Obtain from the Twelve Signs.

In addition, online public and business surveys are underway until end March.

The Linear Model of communication works in one direction only, a sender encodes some message and sends it through a channel for a receiver to decode. Experts have put forward a number of theories. Review tags are currently only available for English language reviews. New details will be emailed to you.
