Worth Fighting For

Still, and for all that Journey Into the Deep: Discovering New Ocean Creatures remains highly recommended but yes, even though I have much enjoyed both text and the many amazing photographs and have actually learned quite a lot myself, I do leave this book with a somewhat bitter taste remaining in my mouth and a sadness that in order to study the ocean and its creatures, we seemingly have to kill them and that we also still do seem to think that this is both acceptable and even perhaps quite appropriate. And of course we had heard rumours for a couple of days that we'd really got Gerry on the run .
